The Gowrie Group CT River One-Design Regatta April 30th, 2022

to benefit

What?

In our ongoing efforts to support cancer patients and their families, the **Essex Corinthian, Essex, Frostbite, Duck Island, and Pettipaug Yacht Clubs** are teaming up with **Sails Up 4 Cancer** this year. Our annual one-design event will not only be an exciting river regatta, but also raise funds for cancer research, new treatments and patient support. **Sails Up 4 Cancer (SU4C.org)** has close ties to our area, and we are pleased to announce this collaboration.

Please save the date and share it with friends and family! The regatta is open to any one-design class with 5 or more boats registered. The party is open to the public, and we are looking forward to a wonderful evening with food, drinks, music and an exciting charity auction!

The regatta will be held on the Lower Connecticut River just outside Essex, CT.

Access to the River will be from the Essex Yacht Club Ramp at 13 Novelty Lane as well as from Pettipaug Yacht Club at 145 River Road.
