PYC RACE COMMITTEE SEMINAR

Sponsored by PYC Race Committee Co-Chairs

Guaranteed to be informative, entertaining and FUN!

We need you!

Join in the
excitement!

The Race Committee Team is comprised of many functions ... find what best suits you! It is each member of the RC team that helps to make a RACE DAY run smoothly and safely. *This is one seminar not to miss!*

Wednesday, March 2, 2022 • 6:30 - 8:30 • Essex Town Hall

Speakers: Greg Gilmartin – Area Racing Pro (ARP)

Frank Murphy – Frostbite Yacht Club's race committee head

Greg and Frank will spend a couple of hours with us on March 2nd. You'll be well entertained and well informed on the in-and-outs of handling races. They'll discuss the types and locations of courses you can have at PYC; how to shorten courses when the winds die or start to howl, and much more. Q&A to follow.

RSVP: Dick Hutchinson, HutchRIA@RCN.com

Priscilla Robinson, probinson02@snet.net
